

Gwynedd Bowmen Beginners' Course starting 20th September 2019

Details

Our next archery course starts on 20 September 2019. We expect to run 2 more courses this winter. The course is on Friday night at Ysgol Uwchradd Bodedern (<https://gwyneddbowmen.org.uk/find-us/>) from 6:30 until 8:00 pm and consists of 4 formal taught sessions and two free shooting evenings with us which are more informal but still supervised.

Gwynedd Bowmen supply all equipment – bows, arrows, armguards, finger tabs, sights etc. and the service of a qualified coach. We advise people not to buy any archery equipment until they have been on a course. We can give advice on an appropriate bow and suitable arrows.

Archery is suitable for all, big or small, male or female, strong or not so strong, from a wheelchair or visually impaired. Very young children can shoot but for our courses the lower age limit is 8. Anyone under 18 needs to be accompanied by an adult but we have found that often mums and dads want to join in as well.

Cost

We charge £50 for the whole course.

What happens after?

At the end of the course you must join the club to carry on shooting with us. This is for insurance purposes. You can carry on using our bows until you decide what sort of bow you would like to buy.
